Pocket Cable Toner

VTCT-1

FEATURES:

- Detects cable continuity with loud audible tone
- Short circuit LED indicator
- Rugged machined aluminum body
- Right-angle male push-on connector
- Machined brass, nickel plated fittings
- Shirt pocket clip
- Uses one standard AAA battery

DESCRIPTION:

The ViewTEQ Pocket Toner is an essential tool for coaxial cable technicians. This ergonomic, pocket-sized tool has a right-angle head for getting into tight areas and its durable aluminum construction with anodized pink color finish makes it easy to find.

The VTCT-1 uses a standard AAA alkaline battery which is included, along with one F81 splice, and its design ensures a long battery life.
